WRITING

An incredible film

Recently I have ~~s~~ watched the best film in my life. ~~It's~~ It is a drama called „five feet apart". This film has made a huge impression ~~for~~ on me and I can tell ~~you~~ why. ~~t some reasons for that.~~

The plot is about young people who ~~suffer from~~ have fatal disease. One of such people is Stella, for whom the hospital has become the second home. Despite her diagnose, she leads a happy ~~style of~~ life. ~~and tries to fight with her illness. Once~~ One day she meets a boy, who has a serious illness too. After a while they ~~become friends~~ fall in love. However, there is an ~~af~~ awful condition for them, which consists in their inability to come close ~~to each~~ and touch each other, because ~~they~~ stella can catch bacteries that will ~~be~~ lead her to death. Coul Sprous, who ~~pla~~ is ~~one of the~~ playing a role of Will tries to help Stella. After the death of her friend, she wants to commit a suicide but Will rescues her and makes an artificial breathing. ~~After that Stella is offered to make a lungs tra transplant, because~~ Fortunately, Stella didn't catch bacteries and she is offered to make a lungs transplant, after ~~whis~~ which Will organises for her surprise, which includes ~~sh~~ artificial showing of New-York's lights with the help of special effects

~~To sum up,~~ In conclusion I would like to say ~~that~~ it's ~~ast~~ the astonishing film, which has to be seen ~~by~~ everyone. It proves us that genuine love can overcome all obstacles. I would
