WRITING

Anna had a very special reason for getting up early the next day, so she set the alarm clock for 5am.

When girl woke up, she noticed that the weather was really cold and windy. But it didn't stop Anna with her plans. This day was her best friend's birthday. Girl decided to bake some birthday cupcakes and draw a portrait of her best friend. She was really enthusiastic and full of energy. When Anna's mom saw everything she said that it's a waste of time. Girl was disappointed but even her mom's words didn't stop her. When everything gifts were ready, Anna went to the birthday party. **But** when she entered the house, her best friend pushed her away. Anna knew that this happened because of her mom. She called to Anna's friend and said some rude words. Anna's mom just hated her friend. Girl cried a lot because she lost her friend. Should parents do something with their children's friends if they don't like them?
