## WRITING

I only read books by English writers, so I can give you a review on book called Coraline in scary town.

The book is about a girl named Coraline. She had two families: a kind one, that lives in our world and an evil one, that was trying to kill her in their town. Coraline's families were opposite. Her real family don't show girl a lot of attention. But her other family was so kind to her! Her ~~mom~~ <sup>dad</sup> cooked Coraline's favourite meals, play with her and shows really big love. Her father was good with her too. She doesn't want to come back to her real parents. But then something awful had happen! Coraline's "other" mother start to act scary and was ~~also~~ trying to make Coraline's eyes look like a toy's eyes! In the end a girl escape from scary town and come back to her not ideal, but lovely parents.

I would recommend the <sup>m</sup> book to other people because it has interesting plot twist, great writing characters and it has an idea of showing children that they family loves you, no matter how they behave.
