WRITING

Anna had a very special reason for getting up early the next day, so she set the alarm clock for 5 a.m. This day was a first step to the life she always wanted. And the reason was her moving to England as a student.

It took 8 hours to get to London by train but ~~Anna~~ ~~was~~ finally Anna was ~~here~~ in her dream-city, which met her with rain and cold wind. Anna felt absolutely happy and nothing could make her mood worse. All at all, at first she needed to get to the University campus. On her way, Anna became wet, her hair was curly, she lost her little bag, but it was independent life and she learned how to live it.

In spite of her friends' and parents' opinion Ann thought that moving is ~~the~~ right decision. Everybody told her: - Not be silly. What if something will go wrong? "

It was difficult to be alone with wishes and ambitions, when nobody understand you, but Ann was sure ~~the answer~~ ~~the steps~~ and felt self-confident. If to be honest, she had nothing to lose.

Could you do the same?
