WRITING

Anna had a very special reason for getting up early the next day, so she set the alarm clock for 5am. It wasn't just some regular day, it was the day her grandparents arrived to take Anna to the forest with them. She got ready really quickly. In an hour she already was sitting in her grand-father's car.

- Anna, you are excited, aren't you? - asked grandmother Laura.

- Yes! & I have been waiting for a whole month! - answered Anna.

- I see! - smiled Laura.

Weather was right for a forest walk that day. It was sunny and warm.

- Oh right, we are here! - said Stan, when their car stopped near the forest path.

They spent the whole day in the forest picking up mushrooms and berries. They even had a lunch near the forest river. Anna saw a lot of animals enjoying the sunny day in peaceful

woods.

Anna returned home tired, but happy, because she spent the whole day with her family.

And what can make a person more happy than their family.
