## WRITING

This summer I have been to Moscow and had an amazing journey around the Golden Ring with my family. It was ravishing!

To begin with, the Golden Ring is a tourist route, that was developed in 1960s. It consists of several Russian cities, such as Moscow, Vladimir, Yaroslavl regions and others. These cities have crucial monuments and sights and located <sup>to</sup> the north-east of Moscow. My family and I decided to stay in one of them. We chose Vladimir. It's an amazing city with ancient culture. I've seen lots of sights, however, most of all I remembered one adorable place. It was the Golden gate. If I don't make a mistake, it was opened in 1164. One fascinating thing is that the Golden gate was used as entrance for prince to the centre of the city in the 12th century. Besides us there were other tourists and I've met one girl from Moscow. She knows history and she told me a plenty of information about Vladimir. It was incredible experience!

To conclude, ~~I'st~~ I would like to recommend this trip to all of my acquaintances and friends, ~~I~~ as I received unforgettable emotions and I'm sure that I'll attend the Golden Ring one more time.
